

Grandma Bea's Weekend Banana Bread

Ingredients: 3 ripe bananas, 1/3 cup melted butter, 3/4 cup sugar, 1 egg (beaten), 1 teaspoon vanilla extract, 1 teaspoon baking soda, pinch of salt, 1 1/2 cups all-purpose flour.

Instructions: Preheat the oven to 350F (175C) and lightly grease a loaf pan. In a large bowl, mash the bananas with a fork until smooth. Mix in the melted butter, then the sugar, egg, and vanilla. Sprinkle the baking soda and salt over the mixture and stir in. Add the flour last and mix until just combined; do not overmix. Pour the batter into the prepared loaf pan and bake for 55-60 minutes, or until a toothpick inserted in the center comes out clean. Let cool in the pan for 10 minutes before turning out onto a wire rack.

Notes: For a richer flavor, swap half the butter for browned butter. Add a handful of walnuts or chocolate chips if desired. Store covered at room temperature for up to 3 days.
